Your best business insurance is under the **Macey Umbrella**

The Macey

It represents **protection, cover** and **peace of mind**. Protecting yourself under the Macey Umbrella is a guarantee you have purchased the right insurance with the right cover.

When your insurance is under the Macey Umbrella you can rest easy knowing that you have the experience and expertise of our team who are on your side working with you throughout the entire process and most importantly, when you have a claim.

Don't just tick the box

Having the correct insurance in place is crucial to the survival of your business following a major loss. Ensuring you have the right insurance in place can be complex and confusing.

The team at Maceys have been helping our clients understand their insurance requirements by providing them with risk advice and insurance solutions that not only protect their assets but fit within their budget too.

We work for you!

As an insurance broker we represent our clients in the arrangement and placement of insurance policies for all types of insurable risks. We work on behalf of our clients in the negotiation with insurers to find the most comprehensive policy coverage at competitive market prices.

Our team of brokers strive to make the insurance process as easy for our clients as possible. Our role is to understand your business and its needs and to prepare and advise on insurance options that meet your requirements and fit within your budget.

Having us as your trusted adviser to walk you through the minefield of complex insurance jargon and policy comparisons will allow you to spend more time on what you are best at, running your business.

“ We are committed to providing quality advice, expertise and products backed by an efficient and friendly service to all our customers. ”

The Claims Experts

Managing a claim can be difficult and time consuming for any business owner. Our brokers specialise in claims management and negotiations ensuring our clients receive everything they are entitled to under their policy. We are on your side negotiating outcomes that are favorable for you not the insurer.

Trained Professionals

All our brokers are Diploma Qualified and meet the strict Continued Professional Development requirements set by our industry and its regulators.

Education & career development is a priority for our company ensuring a continued high level of advice and service is always delivered.

Macey Insurance Brokers subscribes to the NIBA Insurance Brokers Code of Practice which sets out minimum service standards and obligations.

Locally owned - just like you

Locally owned and currently employing 24 staff, we have been providing general insurance broking services to this region for over 40 years. Our organisation employs 9 diploma qualified insurance brokers all of whom have a broad knowledge of insurance and the many industries we service.
