

First things first!

It's important to understand that you are not going to know exactly where you want to be in 20 years' time. Industries change over time and so will your employment journey.

However, you will need to start somewhere and that is where Workforce XS can help you find employment after life at School.

Here at **Workforce XS** we are abreast of what is happening in the local area and which Businesses are looking to employ. We know how to start your career and how to get you into paid employment.

Where to start?

- As a school leaver you firstly need to apply for a Tax File Number to enable you to work in Australia. These can be collected from the nearest Australia Post Office.
- You will need an up to date resume which includes your name, address, contact number, positions you have held and the name of two referees that can be contacted to verify your credentials or experience.
- Call us on **1300 551 781** or visit your local office with your details
- We will conduct an interview with you, register your details on our database and put your forward for any positions that become available with your skillset in mind.

We can also help you in the search for that chosen career by offering you the opportunity to undertake a number of roles in different industries. Which will assist you to decide which career is your chosen field.

So, if you are straight out of school and you are looking for employment then come and see us and let us assist you in finding your dream job.
